Employment Centers

This map shows where large concentrations of employers reside within Wyandotte County.

Competitive Industries

Wyandotte County's top 10 competitive industries are listed by their location quotient. A location quotient shows how the county compares in a particular sector to national numbers. A quotient of one means the county has the same percentage of its workers in that industry as the nation. A number below that means the percentage is lower than the national number, and a number greater than one means the county has a higher percentage of workers employed in that sector.

Competitive Industries

NAICS Code	Description	Location Quotient	Employment
493	Warehousing and Storage	5.34	3,851
484	Truck Transportation	4.94	5,055
442	Furniture and Home Furnishings Stores	4.04	1,186
